

## Media Pack

Mustard is a new recruitment company working within the built environment. With over 20 years combined experience working with some of the world's most diverse firms we are well placed to handle your most demanding requirements. From part qualified through to Equity Director we have the experience and the professionalism to handle your prime directive.

Positions recruited for: Architects, Technologists, Interior Designers, Project Managers, Document Controllers, Landscape Architects, Civil Engineers, Structural Engineers, M&E Engineers, Construction Managers, HR Managers, Project Co-ordinators and many more.

### Offer!

Mustard offer a full range of recruitment services Contingency, Campaign and Search dependant on your requirements. With a large network of available candidates and enviable network including LinkedIn, twitter and facebook pages, not forgetting mustardjobs.co.uk we are excellently placed to find the right people for your firm.

Full time permanent staff to part time cover we offer the full service and can happily payroll your direct contract workers... For a minimal fee of course.

### Who?

Recruitment consultants... Plain and simple... In recruitment we have only worked within the built environment and have been involved with many of the largest firms in the world, perhaps more importantly we have also offered timely solutions to the smaller niche firms and 'one man bands'. We are passionate about achieving THE solution to our clients problems in a timely fashion and with excellent value for money.

### Costs/fees

**Contingency:** % of first year annual salary  
**Campaign:** Agreed start up costs for the advertising and set fees on placements  
**Contract:** £/hr margin on top of the contractor rate.  
**Pay rolling:** £/hr margin as above.  
**Search:** 20% of agreed target salary with 20% of fee on project start
